VOLUME 24 NUMBER 3

WE CAN STOP 'RIGHT-TO-WORK' IN ITS TRACKS NOW, BUT...

YOU volunteering to gather signatures
is the **KEY** to making it happen!

We are launching a state-wide citizens Referral Referendum to let voters decide this issue that will hurt Missouri's working families, big time. We need to collect over 140,000 registered voter signatures in 6 of Missouri's 8 Congressional Districts by this Aug. 27! If we do, RTW stops dead in its tracks, it

can't be implemented until voters decide in a 2018 election. We'll have a fight on our hands. Millions in out-of-state dark money will try and stop us. We can't match their dirty \$\$\$, but we have the peoplepower — YOU — to get this done. We stopped the RIPOFF before, we can do it again. Here's how:

SIGN UP

To be a petition gatherer: Send your name, address, cell phone number and email info to: KCAFL-CIO, 1021 Pennsylvania Ave, Kansas City, MO 64105
or Email to: becky@kcaflcio.org **or Call:** 816-221-6163

This is not just for Union members, it's for ANYONE interested in helping.

SHOW UP

Collecting 140,000 signatures is a big challenge! When the word goes out that we're ready to begin, we need you to SHOW UP. Where and when will be announced. Training will be offered for signature gatherers.

SPEAK UP

Spread the word to your family and friends about the upcoming campaign by email, text, Facebook, twitter; ask them to SIGN UP NOW to be a petition gatherer so we're ready to go when the Start Gun is sounded. Remember, training will be provided.
